Under this agreement for 2014
Sunnybank State School will receive

$157,752

This funding will be used to

- Increase the percentage of students meeting NAPLAN national minimum standard in Year 3 reading from 93.5% to 94% and Year 5 reading from 92.9% to 94% by 2015.
- Increase the number of students in the NAPLAN upper two bands in Year 3 reading from 35.5% to 36% and Year 5 reading from 35.7% to 36% by 2015.

Our strategy will be to

- Use data to inform the teaching of reading and the targeting of resources.
- Provide feedback to students and teachers to reinforce positive behaviours.
- Develop a consistent approach to reading instruction across the whole school.

Our school will improve student outcomes by

- Engaging a literacy coach two days a week to develop and support a whole school approach to the development of student literacy.
- Employing an administration officer two days a week to enable the principal to increase time spent in classrooms for coaching and feedback.
- Employing an additional EALD teacher (0.2 FTE) to provide extra support to students newly arrived from overseas.
- Employing a teacher (0.2 FTE) to provide release time for classroom teachers to work with the literacy coach and for collaborative planning.
- Providing additional teacher aide time (55 hours) to provide learning support to students identified through data monitoring.
- Purchasing literacy program materials, professional development and developing direct instruction resources.
